Dear Shareholders,

Thanks for helping to make such a successful first week of the Winter CSA! As most of you know, the Winter CSA is a first for us here at Enterprise, and you are all a part of making this ground-breaking season happen.

Each week, we hope to write to you in this newsletter to let you know what's going on at the farm, what's in your weekly share, and to suggest recipes.

Next week, if all goes as planned, we will be including cranberries and pecans in the share for the holidays! I will be adding some special cranberry and pecan recipes to the newsletter, if you have any that you would like to recommend, please send them to me via email and I will choose a few to include.

Many people have asked about returning boxes. YES, we will reuse your boxes, please bring them back each week to us.

Cheers,

Benneth (For Dave, Family and Crew)

IMPORTANT DATES

For the Holidays, share pickups for Somerville and Arlington will be on:

TUESDAY DECEMBER 23RD
TUESDAY DECEMBER 30TH

This will avoid Christmas and New Years Eve, and is in response to customer requests. As always, if you are going to be away, you may have a friend pickup your share, and there is no need to let us know ahead of time. If you will not be picking up your share at all, you may always let us know ahead of time via email.
